Report Information

Enter the four-digit code for each college, university, or scholarship program that you want to receive your official SAT® score report. Codes are provided at **collegeboard.org/sat-codes** and in *The SAT Code List* booklet in your counselor's office.

- Normally, score reports are sent within one to two weeks of when the order is placed. We will send a cumulative report of all SAT and SAT Subject Test scores that are available and reportable to the colleges and programs you have noted below. Visit **sat.org/scores** to learn about Score Choice™. Institutions may need additional time to process your scores once they receive them.
- Optional rush reporting is available for an additional fee. In general, rush scores are sent two business days after your request is processed. **Not all colleges accept rush reporting — check before ordering**.
