SAT® Paper Registration Tips – International

If you are using a paper registration form, all fields shaded in red and marked **"REQUIRED"** must be completed. If a registration form is not completed properly, your registration will not be processed, and you will not be permitted to take the SAT® on that date. Visit **sat.org/international** for test availability in your region.

Follow instructions in the *Student Registration Guide*, and use these tips to fully complete the form:

Item 1	**Name**	Copy your name exactly from the ID you plan to use on test day (as space allows).
Item 2	**College Board High School Code**	You must fill in your high school code, which can be provided by your counselor. (If you do not have a high school code, enter "000004.")
Item 3	**Sex**	Fill in the correct oval.
Item 4	**Current Grade Level**	Fill in as directed on the registration form. If you are past the 12th grade but not yet out of secondary/high school, fill in "12th grade or higher."
Item 5	**Date of Birth**	Use MMDDYYYY format (e.g., 02101999 for February 10, 1999).
Item 6	**Photo**	You must provide an acceptable photo of yourself when registering for tests. Learn more at **sat.org/photo-requirements**.
Item 10	**Mailing Address**	Select "International" for type of address, fill in your mailing address and home telephone number, and supply your three-digit country code (available from your counselor or online at **collegeboard.org/sat-codes**).
Item 14	**Statement and Signature**	On the inside of the form, copy the statement into the field provided and sign your name.
Item 15a or 15c	**Test and Month**	Only one test month oval can be selected per form. Choose either an SAT Test and Month in Item 15a (note that the Essay is optional starting in May) or SAT Subject Tests™ and Month in Item 15c.
Item 15d	**Test Choices (Required for Subject Tests)**	If you are taking SAT Subject Tests, select up to three tests to take on your selected test date. Check the test calendar at **sat.org/subject-dates** for test availability.
Item 15b or 15e	**Test Fees**	For SAT, enter the fee in 15b. For SAT Subject Tests, compute your test fees as directed on the form and enter the total in 15e.
Item 16	**Test Center Codes**	Codes are available from your counselor or online at **collegeboard.org/sat-codes**.
Item 19	**Non-U.S. Regional Fee**	Use the list in the back of the *Student Registration Guide* or go to **sat.org/intl-fees** to select the region for your first-choice test center. Fill in the appropriate oval and print the fee amount in the boxes.
Item 20	**TOTALS**	In 20a, fill in your test fees from Item 15b or 15e. Fill in the international fees you owe in Item 20e. Include any other fees as directed in 20b and 20c. Add the fees up and put the sum in the TOTAL boxes. Follow the instructions for payment.

REMINDER: The information provided on your registration form will be used on your Admission Ticket. The printed Admission Ticket and acceptable photo ID must match and are required for entry into the test center.
