

Module 8

1. Match the numbers with the phrase. (Look at the quiz on pages 70-71 in your book to see what the numbers mean!)

190	four hundred thousand
306	four hundred million
3,600	three thousand six hundred
400,000	one hundred and ninety
100,000	three hundred and six
400,000,000	a hundred thousand

2. Answer the following questions.

a) How many students are in your English class?

b) How many people live in your town/city?

c) What is the population of your country?

d) How many kilometres is it from your home to the school/office?

e) How many times do you go out every month?

f) How much money would you like to get from your job?

Key

1.
190 one hundred and ninety
306 three hundred and six
